

FSK-VTE-001

GEKO Venous Thromboembolism (VTE) Prevention Study

DEC 2024 CHRISTMAS NEWSLETTER

SEASON'S GREETINGS!

Wishing you and your loved ones a wonderful Festive Season!

Thank you all for your ongoing efforts and support for this study!

Many thanks to all those who came to visit our stand at UKSF 2024!

It was lovely to see some familiar faces. We hope you also had a great time!

Wishing you all a Very Happy New Year!

RECRUITMENT

136 / 1200 participants enrolled

MOST RECENT ENROLMENT: Addenbrooke's Hospital, 22 Dec 2024!

Overall, November and December saw better recruitment for our study - we had **14 study participants** enrolled in November and **10 study participants** in December so far!

Our 2024 **Top Recruiter** is still Royal Stoke University Hospital with a grand total of **47 participants** enrolled so far!

As always, **PLEASE** do keep on screening for new patient study participants!

NEW SITE!

WELCOME

New Cross Hospital

We are excited to have you onboard!
